

ParadEyes.com® Optical Lab Partners

Eliminate the need to re-key patient information—enter data ONCE

ParadEyes.com®

Online Ordering Resource
www.paradeyes.com

Listed below are the optical labs who partner with paradEyes.com by First Insight. ParadEyes.com integrates with MaximEyes software and features a **built-in VisionWeb Link**. Send your spectacle lens orders and reduce the potential for ordering and input errors. Manage and track orders from one location. Submit traces with your orders. MaximEyes even alerts you to possible errors before you send the order. **See pages 3-4 for a list of VisionWeb labs.**

See Pages 3-4 for a list of VisionWeb Labs

VisionWeb Labs

Before you can submit electronic spectacle lens orders to VisionWeb labs, you must purchase the MaximEyes-VisionWeb Link from First Insight and register as a member with VisionWeb. The VisionWeb Link allows you place and track spectacle lens orders to and from VisionWeb labs without having to access the VisionWeb site or re-key order information. For more information, contact First Insight at 800.920.1940.
